le vele d'epoca a napoli

Since 2004, the R.Y.C.C. Savoia organizes **vintage sails in Naples**, an international level regatta for classic sails.

The event takes place in June and, in previous editions, has seen great response, especially thanks to the participation of magical boats. The boats are housed in a unique context, Borgo Marinari, where the Club is based.

The scenery is highly characteristic, in the heart of the Gulf of Naples, with the beauty of the of Castel dell'Ovo as a background. The landing that communicates seamlessly with the terraces of the Club, the scent of the flowers that adorn the quayside, the magic of the colors of the sky at sunset, have captivated the rowers of the previous editions.

organization

The regattas, reserved for classic boats, will be organized by the **Royal Yacht Club Canottieri Savoia** with the patronage and collaboration of the **Italian Vintage Sails Association** (AIVE) and the **Navy Sailing Section** (SVMM).

Reale Yacht Club Canottieri Savoia

R.Y.C.C. SAVOIA

The Reale Yacht Club Canottieri Savoia is an ancient and prestigious nautical club of Naples, based on the **Santa Lucia quay** close to the village of the same name, in the San Ferdinando district.

On July 15, 1893, the Sebezia Rowing Club was founded. After two years of intense activity, his Highness Umberto I and the heir to the throne Vittorio Emanuele, Prince of Naples, grant help to the association which is gaining new impetus.

As a way of gratitude, the members of Canottieri Sebezia ask the Royal House to be able to change its name to Circolo Canottieri Savoia and thus authorized by the Royal House, on 10 November 1895 they chose the Savoy blue and the Savoy coat of arms as their social color.

The sporting and social life of the Club has a frenetic development. The Italian, European and world titles followed one another and in 1960 the Club was chosen as the operational center of the Sailing Olympics.

On 7 May 1969, the Savoy received the honor of the Golden Star for Sporting Merit.

On 23 May 2002, Coni awarded the Royal Yacht Club Canottieri Savoia, the first Italian sailing club, with the Collar of Sports Merit, the highest honor reserved for centenary sports clubs.

The glory of the Club is enriched every year with gold and Olympic medals at the World Championships, both in rowing and in sailing.

The Reale Yacht Club Canottieri Savoia boasts participation in two “America’s Cup” and the organization of world championships in all sailing classes.
