

## Our Yacht Club

Dear guest, Welcome to RYCC Savoia

When you come down the steps and enter the Club, you will immediately know you are entering one of the oldest Yacht Clubs in Italy, if not Europe.

Like most Yacht Clubs from the 19<sup>th</sup> century sailing was in large boats and so the club house was and is designed to be a Social Area for members. We are fortunate to have a unique collection of ship models, memorabilia and marine paintings displayed in the various elegantly furnished social spaces.

During the regatta you will meet many members of the club who will be interested in your sailing, and are at the Club to enjoy their traditional social activities.

We would respectfully ask that guests using the social areas are not in swimming clothing or wet sailing gear.

## Dress Code

During the day it is possible to experience the club in casual clothes; in the evening, the Dress Code is "SPORT ELEGANT" (man: long trousers-shirt-suit no tie- no flip flops /woman: elegant sportswear, long dress as she prefers).

## Changing facilities

We have arranged additional changing and toilet facilities with the staff of the Club. We have also a designated storage area for sailing bags, but it is small. So please bring only necessary kit and clothing when you come to the club.

## Valuables

There will be a locked room for storing valuables, maybe one bag per team.

We will not be responsible for the loss or damage of valuables or personal items left unattended in the house.
